DESIGN Umberto Asnago & Valerio Sommella – 2022

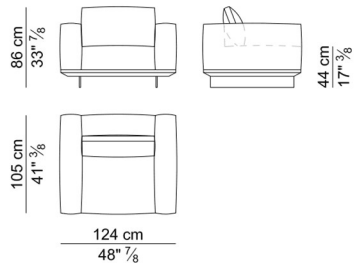

Struttura. In legno massello di pioppo (stagionato "naturalmente" per almeno 3 anni) con elementi in multistrato di pioppo; giunzioni ad incastro con spine cilindriche. Il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale. L'imbottitura della struttura è ottenuta con lastre di poliuretano espanso indeformabile a densità differenziate (30÷35 kg/m³) esente da CFC ricoperto da ovatta poliestere e vellutino accoppiato.
Cuscini. Cuscini di seduta sono completamente in poliuretano espanso a densità differenziate (35-40 kg/m³). I cuscini di schienale sono completamente in piuma canalizzata.
Base. Piedini in lamiera d'acciaio. Disponibili in finitura verniciata a polveri epossidiche in colore titanio.
Rivestimento. Disponibile in tessuto e pelle; sfoderabile solo per i cuscini di seduta e di schienale.
Mobile libreria. I moduli libreria ed il tavolino sono realizzati in acciaio verniciato a polveri epossidiche in colore titanio e rivestiti parzialmente in cuoio.

Frame. In solid poplar heartwood ("naturally" seasoned for at least 3 years) with connecting elements in poplar plywood; dap joints with cylindrical dowels. The webbing is secured by elastic polypropylene and natural latex belts. The framework is upholstered with contoured sheets of resilient, CFC-free polyurethane foam (with density of 30÷35 kg/m³) covered by polyester wadding and bonded plush.
Cushions. The seat cushions are available completely in polyurethane foam with different density(35-40 kg/m³). The back cushions are always feather-filled.
Base. Supports in steel sheet. Available epoxy powder painted in titanium color.
Covers. Available in fabric or leather; removable covers only seat and back cushions.
Bookcase cabinet. The bookcase cabinets and the coffee table are made of epoxy powder coated steel in titanium color and partially covered in saddle leather.
